A motivated, adaptable and responsible Computing graduate seeking a position in an IT position which will utilise the professional and technical skills. I have developed basic skills in many programming languages that I learn throughout my semester and also by myself in my spare time. Another key point that I want to mention is that I am hardworking and try very much to get the best result. I am very honest and I can work in a team.

- Hardworking
- Perfectionist
- Passionate
- With willingness to learn

Education

2016 - 2020

BSc in Computer Science
Ionian University

Details

I enjoy University a great deal as there is always a new subject to study and get familiar with which is exciting. The subjects vary in term of hours that are needed to be able to understand the concept behind them and to successfully finish the assignments, which makes particular ones somewhat a challenge, but that challenge is always welcome!
Throughout my education i have developed basic programming skills in:

- Unix commands
- Python
- Html and Javascript
- C and C++
- Java
- PHP

Experiences
